WORK EXPERIENCE

Freelancer

Freelancer / Apr 2019 - Present

As a web developer, I created multiple websites with adaptability for various devices, using different programming languages, and coordinating work teams to ensure excellent customer service.

Software Development and Team Leader

Nodos Hub / Nov 2021 - Ago 2023

As a web developer, I led front-end teams and instructed on best practices. I oversaw the design and implementation of web applications, ensuring high-quality user experiences. I provided mentorship and guidance to team members.

Front End Instructor and Team Coordinator

San Juan TEC / Apr 2019 - Dec 2023

I led software development teams while teaching specialized online courses. Additionally, I served as a tutor at educational events and Jams, collaborating in overall administration to ensure quality and operational efficiency.
